**Background of the Organisation:**

Our organization namely “Rural Development Society (RDS)” is one of the big and familiar organizations in the Dharmapuri Dt. of Tamilnadu. Our service has been going on among the rural and semi urban poor communities. Particularly our society has taken efforts and steps to development and flourishes life of women and children.

Especially we care the children without any partiality who belong any community of the society.

RDS always interested and coordinating with neighbor NGO’s of the district and the state and extremely national level.

RDS achieved many programmes likely for environmental development joint hands with Govt. of India in National Environmental Awareness Campaign (NEAC) for last two years. 1000 public benefitted.

In rural development with NABARD support we implemented Village development programmes (VDP I & II), Micro Enterprises development programmes since 1000 pubic benefitted.

In women empowerment programmes implemented with NABARD and Tamilnadu govt’s “Mahalir Thittam”. We have formed SHG’s and linking them with NABARD and nationalized banks and availing subsidies the loans and Economic Activities funds for last ten years.7500 rural poor women benefitted.

In rural Agricultural development we have trained farmers to follow traditional methods and should use organic manures and to save traditional seeds. 100 small and marginal farmers benefitted.

In rural health development we are working with National Rural Health Mission (NRHM) under Community Action for Health which assures quality Govt. health services in our rural area. Karimangalam block area people were benefitted.

We were humbled to down this year so much with an inspiration to save the poor and serve Mother Earth with foresight and create a new label for “Rural Development” for which the RDS was established in the year 1989 i.e Development in consistent with nature, that is sustainable, participatory, need based, employment oriented and carbon emission managed, giving us the greatest satisfaction that if we proceed with the base we laid down, the future of our children, women is safe with a safer planet.

The exemplary works and awareness movements created by our 400 and odd women groups and the interventions done by our members with the cooperation of NABARD, Women Development Corporation, other Government institutions & NGO activists has prepared the ground for climate change mitigation and adaptation programs more effectively. Carbon offset with increasing canopy, clean Energy production and usage, waste management eco friendly housing and life style adaptations, Green Panchayats, Green Economic activities leading to sustainable development and increasing participation of women folk has strengthened us and with all legal instruments of registration, 12A, 80G, PAN CARD, FCRA and our strong will, we are marching forward to serve the rural population to acquire all their needs to lead a quality life.
